The 2005 BMW Z4 roadster

Equipment I Exterior

■ Heated outside mirrors are a welcome convenience in cold-weather driving.

■ Recessed chrome-edged front "kidney" grille with matte graphite vertical slats (in Z4 3.0i, shown) or black slats (Z4 2.5i, not shown)

■ Ellipsoid, halogen free-form foglights are neatly integrated into the front bumper, uniformly illuminating the road ahead in bad weather.

□ **Xenon headlights** illuminate the road ahead and to the side with brilliant clarity. These low- and high-beam headlights provide greater roadside detail when driving at night.

■ Side indicator lights with white lenses. When flashing, the light radiates outward from behind BMW's signature roundel.

■ Heated, glass rear window and easy, onehand release/lock operation allow the softtop to make the Z4 Roadster into a comfortable allweather car. Thanks to a new folding sequence, the softtop's front section doubles as a tonneau cover and lies flush for a neat appearance. When the top is up, its variable storage compartment can be used to stow added cargo.

Equipment I Exterior

■ Rollover Protection Bars behind the headrests, as well as sheet-tube-reinforced windshield pillars, help provide excellent protection in the event of a rollover.

■ Z4 Roadster 2.5i with 16 x 7.0 Cross Spoke (Styling 104) cast-alloy wheels and 225/50R-16 run-flat performance tires.¹

■ Z4 Roadster 3.0i with 17 x 8.0 Twin Spoke (Styling 103) cast-alloy wheels and 225/45R-17 run-flat performance tires.²

 \square Z4 Roadster 3.0i Sport Package with Ellipsoid (Styling 107) cast-alloy wheels, 18 x 8.0 front, 18 x 8.5 rear; and 225/40R-18 front, 255/35R-18 rear run-flat performance tires.²

☐ Z4 Roadster 2.5i Sport Package with 17 x 8.0 Turbine (Styling 106) cast-alloy wheels and 225/45R-17 run-flat performance tires.²

¹Z4 2.5i with run-flat tires is not equipped with a spare tire and wheel. Performance tires not recommended for driving in snow and ice conditions.

²Z4 2.5i and Z4 3.0i with run-flat tires are not equipped with a spare tire and wheel. Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages. Performance tires not recommended for driving in snow and ice conditions.

⁶ See your authorized BMW center for details and limitations when ordering Aftersales/Accessories listed.

⁷ Requires Sport Package. Not available with Leatherette upholstery.

 ⁸ Included with Active Sport or High Performance Leather upholstery.
 9 Full Maintenance Program covers all factory-recommended maintenance, as determined by the Service Interval Indicator, for 4 years or 50,000 miles, whichever comes first. Full Maintenance Program includes items that need replacement due to normal wear and tear, provided wear and tear exceeds BMW specifications. This includes items such as brake pads, brake rotors and wiper blades that are not covered by the original New Vehicle Limited Warranty. Any adjustments required due to normal operating conditions are also included. For exclusions and limitations, refer to the Service and Warranty Information booklet that came with your new BMW, or see your authorized BMW center for details.
